REMARKS/ARGUMENTS

In response to the Office Communication mailed September 4, 2003, Applicants have clarified that the claim inadvertently indicated as "63" is to be ---62---. The response filed June 18, 2003 contained a typographical error by reciting 63 when the claim language was from claim 62. Claim 63 should be canceled and claim 62 pending. The claim language for claim 62 should be --- Claim 62. (amended) The method of claim 61 wherein the individuals are human. ---.

Support for this interpretation is found on page 4 of the June 18, 2003 response. Please continue examination on claim 62 as written above and consider claim 63 to be canceled. Minor grammatical changes were made to claims 57 and 60 also. If any confusion remains, or any other issues remain, the examiner is encouraged to telephone the undersigned at 301-354-1223. In view of the above amendment and comments, the claims are now in conditions for allowance and applicants request a timely Notice of Allowance be issued in this application.

The commissioner hereby is authorized to charge payment of any fees under 37 CFR § 1.17, which may become due in connection with the instant application or credit any overpayment to Deposit Account No.500933.

Respectfully submitted,
